

Project Activities

DICAMP students in Leipzig

On Sunday, 16 February, eight DICAMP students arrived in Leipzig to write their master theses at our three institutions: University of Leipzig, Fraunhofer MOEZ and HHL Leipzig Graduate School of Management. They will be here for three months working on different topics. We will keep you updated about their work and social life. We are looking forward to a creative and productive time. Welcome to (from left to right) Zied, Montacer, Borhen, Emna, Meriem, Sahbi, Khaoula, and Aida!

Project Activities

Teaching, team building, and more teaching in Tunis

Dr. Anna Trifilova went back to Tunis on 25th of February. She taught the module "Service Innovation", and organized team building events with students from the first as well as from the second cohort. From 3rd to 7th March Dr. Marine Agogu , Prof. Dr. Pascal Le Masson and their team joined her in Tunis to teach the students on "Design Driven Innovation".
